

Moments of August

We started with **Sweet Treats Week**, tamariki got busy cooking and crafting their own desserts, bringing extra sweetness and smiles.

Next came **Blast from the Past**, a totally rad journey back in time. We discovered stone mural art and even sang along to 90s karaoke!

During **Kindness Week**, we celebrated World Humanitarian Day, honouring first responders, as well as those who mean the most to us. We also explored the significance of **Daffodil Day** through crafts, puzzles, and poetry, highlighting compassion and care.

We wrapped up our **Engineers Workshop**, where tamariki tackled Mr Twist's building challenges! Our Jr engineers designed and problem-solved along the way.

Finally, we closed the month with the start of our **Creative Sparks** programme. A hands-on arts experience where tamariki explore drama, music, and imaginative projects, bringing creativity and self-expression to the forefront of our learning adventures.

August truly offered something for everyone, from science and engineering to art, history, and acts of kindness. It was a month full of learning, laughter, and gratitude.

Engineers Workshop

Our Engineers Workshop kept young minds busy with four weeks of hands-on STEM fun, from Build It and Marine Engineering to Flying High and Tinker Lab.

Throughout the workshop, participants not only built amazing projects but also strengthened critical thinking, teamwork, and inventive problem-solving skills. We discovered engineering can be fun, challenging, and wildly inspiring!

Creative Sparks

The fun continues in the second half of Term 3 with Creative Sparks where kids will get the chance to unleash their creativity with drama, art dance. Let imaginations run wild across August and September:

 **Week 7 - Drama-rama** (27 Aug)

 **Week 9 - Move and Groove** (10 Sept)

 **Week 8 - Art Lab** (3 Sept)

 **Week 10 - Imagination Lab** (17 Sept)

Strap in these spring school holidays at sKIDS!

Get ready for an epic holiday adventure! Each day unlocks a new adventure, complete with themed games, hands-on activities, discoveries, trip days and exciting team challenges.
