

June 21, 2021

Kia ora Jo,

Thank you for the donation of 343 pairs of pyjamas, 26 pairs of socks, 2 slippers, 7 blankets and 2 beanies to help keep our tamariki warm.

Jammies in June really helps to keep our tamariki cosy.

With over half the tamariki in Counties Manukau living in poverty, warmth is a luxury that many cannot afford. Living in cold, damp conditions is a key factor in hospital admissions for preventable respiratory illnesses and rheumatic fever, which can have lifelong consequences on health.

Thank you so much for your support. A cosy pair of pyjamas makes a world of difference on cold winter nights.

Together, we can help change the odds in South Auckland and give our tamariki a healthier, brighter future.

Ngā mihi nui,

A handwritten signature in black ink, appearing to read "S Geange". The signature is fluid and cursive, with the first letter 'S' being particularly large and stylized.
